

Security Advisory

We have detected phishing emails offering complimentary one night stay at CSC@Changi targeting public service officers. Such phishing emails are designed to steal sensitive information.

If a public officer falls victim to the phishing email and clicks on the link, they will be redirected to a non-CSC website. Please contact us if you suspect you have received phishing email pertaining to the Club.

Contact us: feedback@csc.sg

Below is an example of the phishing email.

From: Events <events@ps-club.com.sg>

Subject: One night complementary stay

One night complementary Chalet stay.

Discover
your new playground by the coast.

Welcome to the all-new CSC@Changi, where every moment is a treasured experience waiting to be discovered. Get away from the busy city and enjoy a tropical coastal enclave. It is your first resort for leisurely get-togethers, fabulous dining, great staycations and discovering the very best that Singapore's seaside has to offer.
